

CIBSE ASHRAE Group and IMechE Greater London Region

# Wind Turbines: Large, Small and Unusual

Presented by Geoff Leventhall  
Wednesday 11th November 2009

5.30pm refreshments, 6pm start

Geoff will consider a range of effects of both small turbines such as might be attached to 'green' buildings as well as discuss the health affects of large turbines.

Nelson Haden Lecture Theatre, Faraday Wing Entrance (National College), Keyworth Street  
London South Bank University, London SE1 0AA  
(Elephant & Castle tube/railway)
